

**The Loren Marshall Foundation**  
**Promoting Excellence In**  
**Emergency Medical Education On the Last Frontier**

---

The Loren Marshall Foundation is well into the process of planning and development for the 2008 Resuscitation Conference scheduled for June 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> of June, 2008, at the Anchorage Sheraton.

As with our successful 2007 Resuscitation Conference, we have a strong program scheduled with nationally and internationally known speakers presenting information on the latest data and trends in emergency medicine. Again, continuing medical education credits will be available for physicians, nurses, physician assistants, paramedics, and EMTs.

We will have a nursing track as well as an emergency medicine track over the course of the three day conference.

One of the keynote speakers scheduled for 2008 will be Dr. Lars Wik of Norway. Dr. Wik has published some of the recent information regarding CPR performance by health care personnel and the opportunities for improvement this skill requires. We also have Dr. Michael Sayre scheduled to present. Dr. Sayre is the chair of the American Heart Association Emergency Cardiovascular Care Committee and also serves on the board of Take Heart America. Additionally, we have Dr. Ed Racht scheduled to present. Dr. Racht is a well known lecturer and emergency physician that also serves on the Take Heart America advisory council. Many additional well known speakers are being invited and scheduled to present.

The Loren Marshall Foundation is seeking sponsors. The levels of sponsorship available are;  
Platinum at \$10,000  
Gold at \$5,000  
Silver at \$3,000  
Bronze at \$1,000

For sponsors, their name and logo will be displayed on our website (along with a link to their website if desired), at the conference on wall banners, and each sponsor will be able to send two representatives to attend all sessions of the conference and each day's luncheon.

Please contact conference coordinators Jim Foster or Debbie Gariepy for any questions regarding the conference.
